TERMINAL DISCLAIMER

Sir:

Your petitioner, tesa Aktiengesellschaft, of Hamburg, Germany represents that it is the 100% owner of the above-identified application by virtue of the assignment attached. Your petitioner hereby disclaims the terminal portion of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of any patent issuing from application Serial No. 10/826,965 and hereby agrees that any patent so granted on said above-identified application shall be enforceable only for and during such period that the legal title to said patent for said above-identified application shall be the same as the legal title to any patent issuing from application Serial No. 10/826,965, this agreement to run with any patent granted on said above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on said above-identified application that would extend to the full statutory term as presently
